Instructions for e-voting and joining the AGM are as follows:

The instructions for shareholders for e-voting and Joining Virtual Meeting are as under:

- (i) The e-voting period will commence on Tuesday, 21st September, 2021 (9:00 a.m. IST) and ends on Thursday, 23rd September, 2021 (5:00 p.m. IST). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) i.e., 17th September, 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/ retail shareholders is at a negligible level.

SIGACHI LABORATORIES LIMITED

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/websites of Depositories/Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENTS:

The emerging pharma markets are expected to witness a rapid growth in the next few years due to a huge customer base, an increase in healthcare expenditure, disease incidence and the presence of supportive regulatory systems. The region is also fast adapting to new technologies and digital transformation. Going forward, to address the growth in demand associated with an increasingly elderly population and the rapid rise of non-communicable diseases (NCDs), governments will need to emphasise the control and prevention of NCDs while expanding national health insurance schemes to underserved groups.

OPPORTUNITIES AND THREATS:

Opportunities:

The accelerating global recovery continued infrastructural investments, supply-side push from reforms, low-interest credit disbursement, and easing of regulations are expected to aid upturn. Numerous policy initiatives were undertaken by the government and the Reserve Bank of India, including a stimulus package, aggressive policy rate cuts, loan moratorium and measures to boost liquidity among other initiatives help set the pace.

Economic growth, rising incidence of chronic diseases, increase in healthcare access and expected growth in per capita income would drive further expansion of the healthcare segment and invention of vaccines and other formulations for Covid 19 virus. Therefore, there is opportunity for Pharma Businesses to grow.

Threats:

The emerging pharmaceutical industry may face the threats like (i) Reduced demand for prescription medicine; (ii) Growing competition from generic pharmaceuticals; (iii) Rising consumer expectations and difficulties managing brand health; (iv) Data breaches and other cyber security threats; (v) Supply chain disruptions. The Drugs Price Control may have an adverse impact on the sales/margins of many Pharmaceutical Companies.

The Pharma industry is highly aggressive, with challenges from Indian manufacturers who have similar production facilities and also from those abroad. Human resources with similar skills, talent, and experiences in the industry are mobile between competitors. Unfavorable changes in laws and regulations could impact and affect all the companies operating in the market.

Segment-wise or product-wise performance:

The company has furnished segment wise performance in the notes to the financial statements for the year ended 31st March, 2021.

Outlook:

The Company has leased out its two factories from 1-11-2017. Thus the company is dependent on lease rentals from only one party.

Risks and concerns:

The Covid-19 continues to spread across the globe and India, which has contributed to a significant decline and volatility in global and Indian Markets. The COVID-19 outbreak forced many countries into months of lockdown in 2020 and also 2021, significantly bringing down economic activity. This had grave bearings across markets, even as several countries observed a second and third wave of the infections that disrupted normal living and working conditions.

Opinion

We have audited the accompanying financial statements of Sigachi Laboratories Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2021, and the Statement of Profit and Loss, (including other comprehensive income) the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("The Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021, and its profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules made there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to point no. 1.19 of Notes forming part of Financial Statements to the accompanying financial statements, which describe the effects of uncertainties relating to Covid-19 pandemic outbreak on the Company's operations and management's evaluation of its impact on the accompanying financial statements as at 31st March, 2021, the impact of which is dependent on future developments that are highly uncertain. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements of the current year. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters.

Key Audit Matters	Auditor's Response / Procedures
<p>The Company has invested into various financial instruments such as quoted shares, mutual funds, Bonds and Debentures etc., as at 31st March 2021, financial instruments carried at fair value through profit and loss and also through OCI as per Ind AS Financial Statements. These financial instruments are recorded at fair value as required by the relevant accounting standard. We have focused on this area due to the complexities associated with the valuation and accounting for these financial instruments.</p>	<p>Our procedures included but were not limited to</p> <ul style="list-style-type: none"> * Obtaining an understanding of the internal risk management procedures and the systems and controls associated with the origination and maintenance of complete and accurate information relating to financial instruments; * We also tested on a sample basis the existence and valuation of such financial instruments as at 31st March 2021. Our audit procedures focused on the integrity of the valuation models; and * Obtaining an understanding of key financial instrument contract terms to assess the appropriateness of accounting reflected in the financial report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for other information. The other information comprises the information included in the Directors' report and Management Discussion and Analysis and Corporate Governance Report but does not include the financial statements and our auditor's report thereon and we do not express any form of assurance conclusion thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance

including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required

to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

e) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016, ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in "Annexure A", to this Report, a statement on the matters specified in paragraphs 3 and 4 of the said Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Cash Flow Statement and the Statement of Changes in Equity dealt with by this report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

SIGACHI LABORATORIES LIMITED

- e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) In our opinion, the managerial remuneration for the year ended 31st March, 2021 has been paid/provided by the company to its Directors in accordance with the provisions of Section 197 read with Schedule V to the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the information and explanations given to us:
 - i. The Company do not have pending litigations which would impact its financial position in its financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There are no funds, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE – A TO THE INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' of our Report of even date to the members of Sigachi Laboratories Limited on the Ind AS Financial Statements as of and for the year ended 31st March, 2021.

1. In Respect of Fixed Assets:

- (a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
- (b) The fixed assets have been physically verified by the Management at reasonable intervals, and according to the information and explanations given to us, no material discrepancies were noticed on such verification. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the company, the title deeds of immovable properties are held in the name of the company.

2. The Inventory has been physically verified during the year by the management. In our opinion, the frequency of the verification is reasonable. The discrepancies noticed on verification between the physical stocks and the book records were not material.

3. According to the information and explanations given to us, the company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013 during the year. Thus paragraphs 3 (iii) (a), 3 (iii) (b) and 3 (iii) (c) are not applicable to the company.

4. In our opinion and according to the information and explanations given to us, during the year, the Company has not given any loan to any director in accordance with the provisions of Section 185 of the Companies Act, 2013. The Company has complied with the provisions of 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities as applicable. Hence the Company has complied with the provisions of Section 185 and 186 of the Act, as applicable.

5. During the year the company has not accepted any deposits from the public within the meaning of Sections 73 to 76 of the Companies Act, 2013 and the rules framed there under. Accordingly the provisions of clause 3(v) of the order are not applicable.

6. In our opinion and according to the explanation given to us the maintenance of Cost records under section 148 (1) of the Companies Act, 2013, as prescribed by the Central Government are not applicable to the Company. Thus paragraph 3(vi) is not applicable to the company.

7. (a) According to the information and explanations given to us and on the basis of our examination of the records of the company, the company is generally regular in depositing undisputed statutory dues including provident fund, employees state insurance, income tax, duty of customs, duty of excise, Goods and Services tax, cess and any other statutory dues to the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees state insurance, income

SIGACHI LABORATORIES LIMITED

tax, duty of customs, duty of excise, Goods and Services tax, cess and any other statutory dues were in arrears as at 31st March, 2021, for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us, the following are the particulars of disputed dues on account of Income Tax as at 31st March, 2021:

Nature of Statute	Nature of Demand	Period for which Relates (Assessment Year)	Amount (Rs. In Lakhs)	Forum Where dispute is Pending
Income Tax Act, 1961	Income Tax	1998-1999	6.54	Hon'ble High Court of Telangana at Hyderabad

8. According to the information and explanations given to us, the company has not defaulted in repayment of dues to the financial institutions, banks, government or debenture holders. The Company has not obtained any loan from financial institutions, banks, government and debenture holders during the year.

9. The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, paragraph 3(ix) of the Order is not applicable.

10. According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.

11. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of the Section 197 read with Schedule V to the Companies Act, 2013.

12. In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.

13. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.

14. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, paragraph 3(xiv) of the Order is not applicable.

15. According to the information and explanations given to us and based on our examination of records of the company, the Company has not entered into non-cash transactions with

SIGACHI LABORATORIES LIMITED

directors or persons connected with them. Accordingly, paragraph 3(xv) of the Order is not applicable.

ANNEXURE “B” TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in paragraph 2(f) of the Independent Auditors’ Report of even date to the members of Sigachi Laboratories Limited on the Financial Statements for the year ended 31st March, 2021.)

Report on the Internal Financial Controls over financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the “Act”)

We have audited the internal financial controls over financial reporting of Sigachi Laboratories Limited (“the Company”) as of 31st March, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has maintained, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. Notes forming part of Financial Statements

1.1 Corporate Information

Sigachi Laboratories Limited ("the Company") having its registered office at Bonthapally, Telangana State, India. The Company is engaged in manufacturing of Bulk drugs or drug intermediates and the Company has leased its two factories. The shares of the Company are listed on the Metropolitan Stock Exchange of India Limited. The principal accounting policies applied in the preparation of the financial statements are set out below.

1.2 Basis of Preparation and Presentation of Financial Statements

The financial statements of the Company for the year ended 31st March, 2021 have been prepared and presented in accordance with the Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The Financial Statements have been prepared on historical cost convention on accrual basis of accounting except for certain financial instruments that are measured at fair value. GAAPs of Indian Accounting Standards as specified in Section 133 of the Act read together with Rule 4 of Companies (Indian Accounting Standard) Amendment Rules, 2016 to the extent applicable, pronouncements of regulatory bodies applicable to the Company and other provisions of the Act. Accounting Policies have been consistently applied except where a newly issued Accounting Standards is initially adopted or revision to existing Accounting Standards requires a change in the accounting policy hitherto in use. Management evaluates all recently issued or revised Accounting Standards on an on-going basis.

1.3 Basis of measurement

All assets and liabilities are classified into current and non-current based on the operating cycle of twelve months or based on the criteria of realisation/settlement within twelve months period from the reporting/balance sheet date.

Assets: An asset is classified as current when it satisfies any of the following criteria:

- a. It is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;
- b. It is held primarily for the purpose of being traded;
- c. It is expected to be realized within twelve months after the reporting date; or
- d. It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

Liabilities: A liability is classified as current when it satisfies any of the following criteria:

- a. It is expected to be settled in the Company's normal operating cycle;
- b. It is held primarily for the purpose of being traded;
- c. It is due to be settled within twelve months after the reporting date; or
- d. The Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current assets/liabilities include the current portion of noncurrent assets/liabilities respectively. All other assets/liabilities are classified as noncurrent. Deferred tax assets and liabilities are always disclosed as non-current.

1.4 Accounting Estimates

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as

at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

- a. **Depreciation and amortization:** Depreciation and amortization is based on management estimates of the future useful lives of certain class of property, plant and equipment and intangible assets.
- b. **Provisions and contingencies:** Provisions and contingencies are based on the Management's best estimate of the liabilities based on the facts known at the balance sheet date.
- c. **Fair valuation:**
Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Level 1: Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2: Inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3: Inputs are unobservable inputs for the asset or liability.

For assets and liabilities that are recognised in the Financial Statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by reassessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. At each reporting date, the Company analyses the movements in the values of assets and liabilities which are required to be re-measured or reassessed in line with the Company's Accounting Policies. For this analysis, the Company verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents. For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

1.5 Functional and presentation currency

These financial statements are presented in Indian rupees, which is also the functional currency of the Company. All financial information presented in Indian rupees.

1.6 Property, Plant & Equipment

Recognition and measurement

Property, Plant and Equipment are stated at purchase price or cost of acquisition or construction less accumulated depreciation and impairment loss, if any. Cost includes expenditures that are directly attributable to the acquisition of the asset i.e., freight, duties and taxes applicable and other expenses related to acquisition and installation. The cost of self-constructed assets includes the cost of materials and other costs directly attributable to bringing the asset to a working condition for its intended use. Borrowing costs that are directly attributable to the construction or production of a qualifying asset are capitalized as part of the cost of that asset.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. An item of Property, Plant and Equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continuous use of the asset.

Gains and losses upon disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment and are recognized net within the statement of profit and loss.

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The costs of repairs and maintenance are recognized in the statement of profit and loss as incurred.

Items of property, plant and equipment acquired through exchange of non-monetary assets are measured at fair value, unless the exchange transaction lacks commercial substance or the fair value of either the asset received or asset given up is not reliably measurable, in which case the asset exchanged is recorded at the carrying amount of the asset given up. Property, Plant and Equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital Work-in-Progress". Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses.

Depreciation

Depreciation is recognized in the statement of profit and loss on Straight line basis over the estimated useful lives of property, plant and equipment based on Schedule - II to the Companies Act, 2013 ("Schedule"), which prescribes the useful lives for various classes of tangible assets and useful lives and residual values are reviewed at each reporting date and adjusted prospectively, if appropriate. For assets acquired or disposed off during the year, depreciation is provided on prorata basis. Land is not depreciated.

1.7 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A. Financial Assets

1. Initial Recognition

In the case of financial assets, not recorded at fair value through profit or loss (FVTPL), financial assets are recognised initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

2. Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in the following categories:

a. Financial Assets at Amortised Cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets, loans, is included in finance income

using the effective interest rate ("EIR") method. Impairment gains or losses arising on these assets are recognised in the Statement of Profit and Loss.

b. Financial Assets measured at Fair Value

Financial assets are measured at fair value through OCI if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss.

Investment in Equity Instruments are designated as Financial Assets measured at fair value through OCI and Investments in Mutual Funds, Bonds, Debentures etc., are designated as Financial Assets measured at fair value through statement of Profit & Loss on date of transition.

c. Impairment of Financial Assets

In accordance with Ind AS 109, expected credit loss (ECL) model for measurement and recognition of impairment loss on the trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18. As Company trade receivables are realised within normal credit period adopted by the company, hence the financial assets are not impaired.

d. De-recognition of Financial Assets

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

B. Financial Liabilities

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

1. Initial Recognition

Financial liabilities are classified, at initial recognition, as financial liabilities at FVTPL, loans and borrowings and payables as appropriate. All financial liabilities are recognised initially at fair value and in the case of loans and borrowings and payables, net of directly attributable transaction costs.

2. Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

a. Financial liabilities at FVTPL

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVTPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

3. De-recognition of Financial Liabilities

Financial liabilities are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

1.8 Impairment of non-financial assets

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e., the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generated Units (CGU) to which the asset belongs. If such assets are considered to be impaired, the impairment to be recognized in the statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

1.9 Cash and Cash Equivalents

Cash and Bank balances comprise of cash balance in hand, in current accounts with banks and Bank Fixed Deposits with original maturity of 3 months or less than 3 months. Cash flows are reported using the indirect method, whereby profit/(loss) before tax is adjusted for the effects of transactions of no cash nature and any deferrals or accruals of past or future cash receipts or payments. Cash flow for the year is classified by operating, investing and financing activities.

1.10 Employee Benefits**Short term employee benefits**

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

Defined Contribution Plan

Employee State Insurance is a defined contribution scheme of the Government of India under which both the employer and employee contribute on a monthly basis at a pre-determined rate and the Company has no further obligation.

Defined Contribution Benefits

The Company has an obligation towards gratuity and leave encashment, a defined benefit plan covering eligible employees. The plan provides for lump sum payment on retirement, death while in employment or on separation. The company is making provisions for Gratuity and leave encashment for eligible employees but the estimated provision may differ with the actual amount payable and the difference is adjusted to the statement of profit and loss in the year of actual payment.

1.11 Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made of the amount of obligation. Provisions (excluding gratuity and compensated absences) are determined based on management's estimate required to settle the obligation at the Balance Sheet date. In case the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

Contingent Liabilities

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no such disclosure is made.

Contingent Assets

Contingent assets are not recognized in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the period in which the change occurs.

1.12 Revenue recognition**Sale of goods and Services**

Revenue from goods and services is recognized, when the company satisfies a performance obligation by transferring a promised good or service to its customers. The company considers the terms of the contract and its customary business practices to determine the transaction price. Performance obligations are satisfied at the point of time when the customer obtains controls of the asset.

Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, returns and Goods & services Tax. Transaction price is recognised based on the price specified in the contract, net of the estimated sales incentives/discounts. Accumulated experience is used to estimate and provide for the discounts/right of return, using the expected value method.

The Company has leased its two factories and is recognising the lease amount on a monthly basis and is impaired if there is any uncertainty in receipt of lease rents. Interest income from a financial asset (loans), is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on time proportionate basis, by reference to the principle outstanding and at the effective interest rate applicable.

Other Income

Other income includes Dividend, Interest, Profit/(Loss) on sale of Investments and other miscellaneous receipts if any. Dividend income from investments is recognized when the Company's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

1.13 Income Tax**Current Tax**

Current Tax expenses are accounted in the same period to which the revenue and expenses relate. Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances, deductions and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred Tax

Deferred tax is determined by applying the Balance Sheet approach. Deferred tax assets and liabilities are recognised for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the Balance Sheet date. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in the period that includes the enactment date. Deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Such assets are reviewed at each Balance Sheet date to reassess realisation.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Minimum Alternative Tax ("MAT") credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

1.14 Earnings Per Share

The Company presents basic and diluted earnings per share ("EPS") data for its ordinary shares. Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

1.15 Borrowing Cost

Borrowing costs consist of interest, ancillary and other costs that the Company incurs in connection with the borrowing of funds and interest relating to other financial liabilities.

Borrowing costs also include exchange differences to the extent regarded as an adjustment to the borrowing costs. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed to Profit & Loss statement in the period in which they occur.

1.16 Trade Receivables

Trade receivables are initially recognized at fair value and subsequently measured at amortised cost using effective interest method, less provision for impairment, if any.

1.17 Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. The amounts are unsecured and are presented as current liabilities unless payment is not due within twelve months after the reporting period. They are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method.

1.18 Recent Accounting Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from April 1, 2021.

1.19 Global Health Pandemic on COVID-19

The Covid-19 continues to spread across the globe and India, which has contributed to a significant decline and volatility in global and Indian Financial Markets and a decrease in the economic activities. Given the virulent nature of the pandemic situation, the carrying value of the company's Investments as at 31st March, 2021, have been effected by the severity and duration of the outbreak; however the Company believes that it has taken into account all the possible impact of known events arising out of Covid-19 pandemic in the preparation of financial results resulting out of fair valuation of these investments. The Loans have also been subjected to impairment losses. However, the impact assessment of Covid-19 is a continuing process given its nature and duration. The Company will continue to monitor for any material changes in this regard. The ongoing COVID-19 situation may result in some changes in the overall economic and market conditions, which may intern have an impact on the operations of the Company.

1.20 Code on Security, 2020

The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the company towards Provident Fund and Gratuity. The Ministry of Labour and Employment has released draft rules for the Code on Social Security, 2020 on November 13, 2020, and has invited suggestions from stakeholders which are under active consideration by the Ministry. The Company will assess the impact and its evaluation once the subject rules are notified and will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

Level 1 — Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 — Inputs are other than quoted prices included within Level 1 that are observable for the Asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Level 3 — Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

Note 32: Financial Risk Management

The Company's activities expose it to a variety of financial risks, including credit risk, liquidity risk and Market risk. The Company's risk management assessment and policies and processes are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities. The Board of Directors and the Audit Committee is responsible for overseeing the Company's risk assessment and management policies and processes.

a) Credit Risk

Credit risk is the risk of financial loss to the Company, if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of credit worthiness as well as concentration of risks. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business. Risk principally consists of investments classified as loans and receivables, trade receivables, loans and advances and other financial assets.

Trade Receivables - The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. On account of adoption of Ind AS 109, the Company uses Expected Credit Loss (ECL) model for assessing the impairment loss. The Company has leased out its two factories to one entity and thus there is significant concentration risk. As Company trade receivables are realised within normal credit period adopted by the company, hence the financial assets are not impaired.

An analysis of age-wise trade receivables at each reporting date is summarised as under:
